In recognition of our President's Team Members' ongoing support to Distributors across the EMEA Region, a special cocktail reception will be held in their honour at the beautiful Francouzka Restaurant in the centre of Prague.

This stunning restaurant is housed in the Municipal House, an art deco style building of incredible beauty. The restaurant itself transports guests back to early 20th century finesse; gold and crystal chandeliers hang from a high ceiling and floor to ceiling windows run the length of the room.

As you catch up with your fellow President's Team members you will enjoy gastronomic delights and fine wines in the most elegant of surroundings.
