Global Nutrition Transition Conference

13th MAY 2010, THURSDAY 10.00am - 5.00pm*

Don't miss this distinguished panel of doctors and other nutrition experts from around Asia discuss the challenges and solutions surrounding Nutrition Transition.

**HOSTED BY
DAVID HEBER, M.D.**

David Heber, M.D. serves as chairman of Herbalife's Nutrition Advisory Board made up of leading health and nutrition experts, and the company's Scientific Advisory Board comprised of world-renowned scientists whose work furthers the field of nutrition science.

Anoop Misra, Ph.D., India

Prof. Anoop Misra is a member of Herbalife's Nutrition Advisory Board (NAB), based in India. He is the director of department of diabetes & metabolic diseases, Fortis hospitals, New Delhi. He has been a faculty at the department of endocrinology and human nutrition at the southwestern medical center in Dallas, Texas, USA, and former professor of medicine, all India Institute of Medical Sciences, New Delhi.

Shih-Yi Huang, Ph.D., Taiwan

Shih-Yi Huang, Ph.D. is a member of Herbalife's Nutrition Advisory Board (NAB), based in Taiwan. Huang currently chairs and is a professor at Taiwan's Taipei Medical University, School of Nutrition and Health Sciences. He is an expert on metabolism, with a focus on how nutrients can improve mental health. He is also a specialist of vitamins and phytochemicals.

Belong Cho, M.D., Korea

Belong Cho, M.D., is our Herbalife Formula 1 clinical trial conductor in Korea. He is currently the "Chief of the Center for Health Promotion and Successful Aging in Seoul National University Hospital".
